DECEPTION PASS
PARK PRESS

Welcome to
Deception Pass
State Park!

To all the visitors that come to Deception Pass State Park, we greatly appreciate the care each of you take to help keep the park beautiful at the end of your stay.

This is the start of my ninth year as the Manager at this awe-inspiring park. You may see some changes as funding for Washington State Parks has been reduced from the biennium and opportunities for grant funding have been directed toward different projects. One change is the

loss of our dedicated sustainability intern. This means we do not have a dedicated recycling staff in the park. Deception Pass State Park, year to date has spent \$265,000 on garbage alone, so we encourage park visitors to take their recyclable materials home. On a more positive note, The American Roots Concert Series returns for its 20th season, thanks to many great volunteers and donors. Deception Pass has amazing volunteers and donors that help the park provide great opportunities for families and ensure the park looks

stunning for each returning and new visitor. The park staff looks forward to another great camping season at Deception Pass as we connect with the visitors at Creature Corner, Game Night, Arts in the Park, Junior Ranger programs, Rosario tide pools, or simply a casual interaction. We have many aspirational goals for the park, its team, and the Foundation. We look

20 YEARS SUPPORTING DECEPTION PASS STATE PARK

Washington State Parks & Recreation 2025 Group of the Year

DECEPTION PASS PARK FOUNDATION

The Deception Pass Park Foundation has been a valuable asset and supporter of Deception Pass State Park and the many projects that we have asked them to support for the past 20 years.

In 2025, the Foundation raised over \$520,000 to support park improvements, educational programming, volunteer initiatives, conservation projects, and visitor experiences throughout Deception Pass State Park. This is exemplified in many endeavors like providing s'mores for free family programs like "Game Night in the Park" as well as funding interpretive activities and community events.

Last year, the Foundation celebrated 20 years of supporting Deception Pass State Park with a special program and free Lopez Island ice cream for all visitors at the Arts in the Park concert.
